Knife storage on each side

Bring the power and convenience of the iPad into the kitchen with CTA Digital's Bamboo Cutting Board with Screen Shield for iPad and Knife Storage. Easily view recipes and watch how-to videos while cooking or simply enjoy apps and music from your iPad as you prepare delicious meals. This durable and handsome cutting board is made of naturally strong and antibacterial bamboo, perfect for chopping, mincing and slicing everything you need. It features a specially designed groove to hold the iPad on the edge of the board and a removable clear screen shield to protect it from debris while chopping. Up to eight knives can be stored inside the cutting board with storage slots on each side. So enhance your cooking and kitchen experience with CTA Digital's Bamboo Cutting Board with Screen Shield for iPad and Knife Storage.
